PRESTIGIOUS AWARD FOR YOUR TOWN COUNCIL

Your Town Council was rightly proud when, in 2014, it became the first Town Council in Knowsley to be awarded accreditation by the Living Wage Foundation as a Living Wage employer.

Your Town Council has now become first Town Council in Knowsley to be awarded Quality Status under the Local Council Award Scheme introduced by the National Association of Local Council in 2015.

Not only are we the first in Knowsley to receive this accreditation but we are the first Local Council in the Liverpool City Region, Merseyside and in Lancashire to receive this prestigious award.

The award is evidence of the Council's commitment to good governance, effective community engagement, council improvement and to providing a proper framework for its services to the community of Halewood and comes on the back of a 'hat trick' of unbroken Quality accreditations stretching back to 2004.

Cllr Clare Rose, Mayor of Halewood, commented that 'the Members and staff of the Town Council, are immensely proud to receive this Quality award which is an acknowledgement of our determination to live out the Town Council's motto to 'seek the best.'

HALEWOOD REMEMBERS

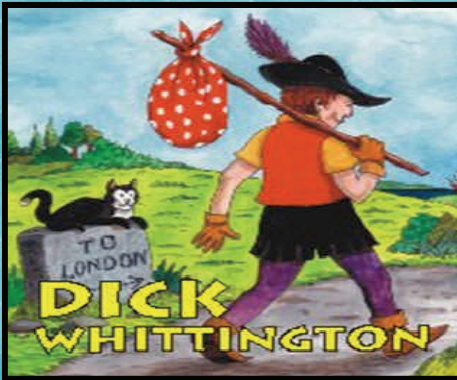

On Remembrance Sunday, a large congregation from throughout Halewood remembered those who have died in the service of our country.

Following the service, representatives from our community joined Councillor Clare Rose, Mayor of Halewood, accompanied by Members and staff of the Town Council, in laying tributes at the War Memorial in St Nicholas' Churchyard. **WE WILL REMEMBER THEM.**
