JUNE/JULY 2017

A message from the outgoing Mayor

It has been an honour and privilege to be Chairperson of your Town Council during 2016/17 and thereby Mayor of Halewood.

The year has been one of many 'highs'... our new playground in Hollies Road finally opened after our partners First Ark helped us to secure external funding from Cory Environmental Trust. First Ark also helped us secure external Lottery funding to

refurbish the small park in Elwyn Gardens and we are thankful to First Ark for their support.

Bad weather in June meant the Culturefest Cricket match was cancelled but this did not dampen the enthusiasm of the dedicated Culturefest Committee who once again arranged a wonderfully diverse programme of events in 2016. We look forward to their tenth anniversary celebrations this year.

Once again the RLPO concert was a great start to Christmas in Halewood and at Hollies Hall and the Arncliffe Centre we again hosted and offered a range of activities. Hollies Hall was of course the venue for our Pupil Recognition and Community Achievement Awards....what an inspirational evening!

These, and the grant of Quality status, were just some of my highlights during 2016/17.....there were many!

My personal thanks to my family, to the Members and staff of the Town Council for your support during the year but most of all, thank you to each and every Group and Resident who do so much to support our community.

Cllr Clare Rose, Mayor of Halewood 2016/17
