

**ROTOFUN SPINNING BOWL**  
This bowl offers a spinning sensation to users of all abilities. Its bowl shape ensures that users will stay within the bowl as they spin round.

**THEMED THERMOPLASTIC GRAPHICS**  
City themed thermoplastic graphics further enhance a child's imaginative experience.

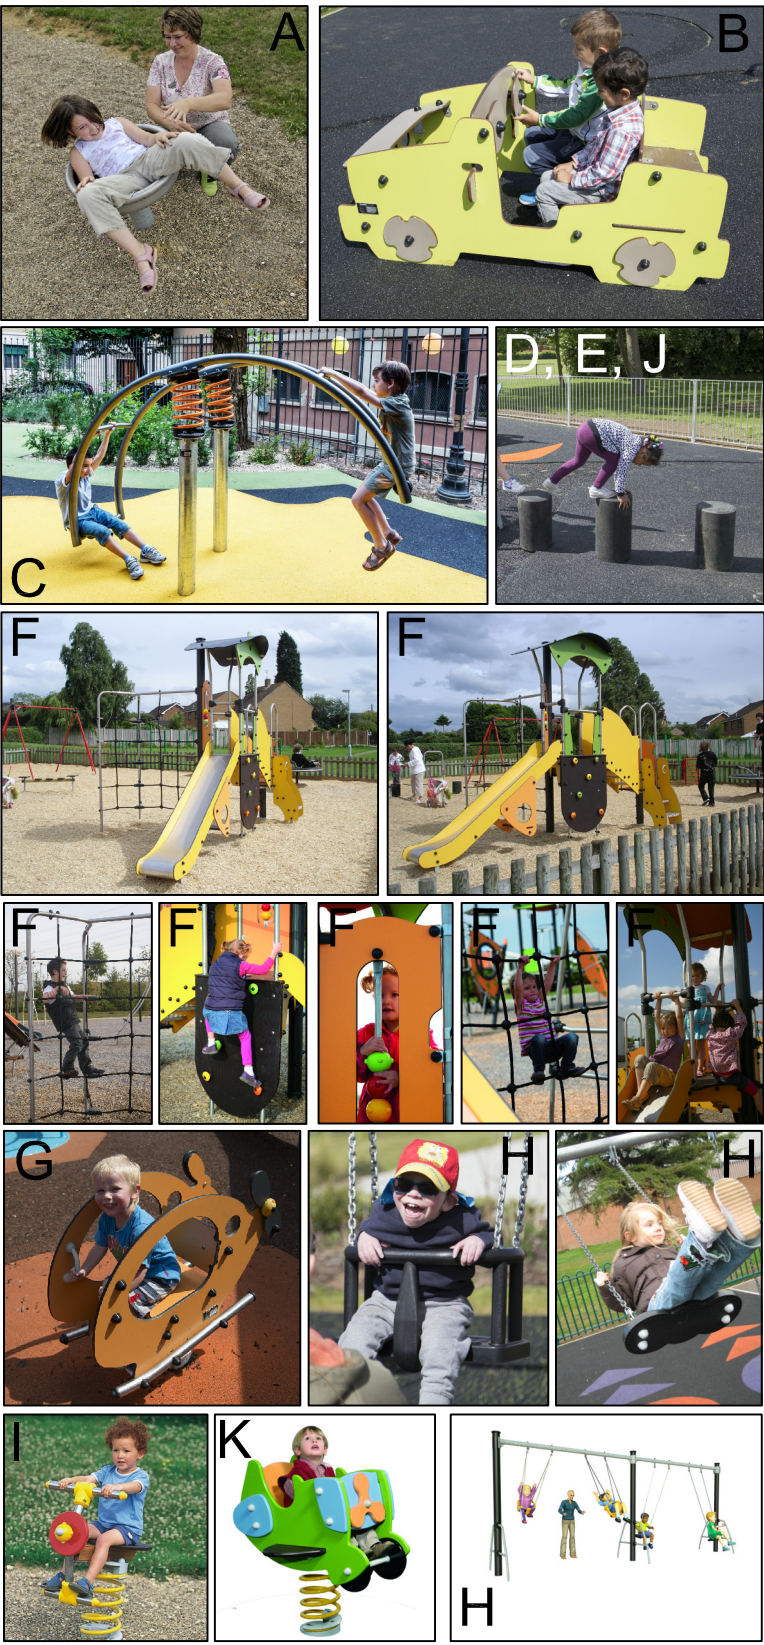

**BALANCE TRAIL**  
Use your balance and co-ordination to get from one side to the other.

We can move the Bean Bag Target and Hopscotch into this space or it can be left for further development.

**DIABOLO MULTIPLAY UNIT**  
This large unit encourages traditional and tactile play as it offers a variety of traditional play elements, these are: climbing net, climbing wall, slide, shelter, stairs x2, tactile balls and under slide seat.

**DOUBLE PERCH**  
This dynamic springer allows two users aged 4 and over to spring high as they sit or stand on the bars.

**JEEP**  
Use your imagination with this four-seater jeep as you drive around the play area with friends.
