## TOWN COUNCIL NEWS October / November 2021

### Neighbourhood Plan for Halewood—An Event for Residents

Halewood Town Council is inviting local residents to attend a half-day conference highlighting its development of a Neighbourhood Plan. Entitled “Renew & Refresh”, the event is aimed at residents already participating in the Neighbourhood Plan, for residents unable to participate over the past year due to digital exclusion or those of you new to this exciting scheme for the township of Halewood. The event takes place at The Arncliffe Centre on Monday 11th October from 10.00am and lunch will be provided. Contact the council if you would like to attend

### ‘Summer of Activity & Sport’

This summer, Halewood Town Council was proud to be part of the Knowsley-wide ‘SNAP’ project offering activities and a healthy lunch to children and families across the long summer holiday break. Among the visitors to the project were Knowsley Council Leader, Graham Morgan, and the Mayor of Halewood, Cllr Ken Dalton. The project was enjoyed by all who participated and will return in 2022.

### Back to Business

A reminder that, following the end of all Covid-19 restrictions, the council’s two buildings are once again available for hiring. Both Hollies Hall and the Arncliffe Centre are hugely popular local venues for social functions, celebrations and other family commemorations.

### Defibrillator Installation

Halewood Town Council has installed a new defibrillator at The Arncliffe Centre. It is therefore useful this is well-known to residents. We are hopeful that it is never required, but grateful that it is available should the need ever arise.
