Town and Parish Councils

Town and Parish Councils are the level of local government closest to the needs of local people. Parish and Town councils are created in law and are required to act within the laws by exercising the powers and functions, which have been conferred on them by Acts of Parliament. However, these laws give the Parish and Town council a wide remit, within which, to improve the lives of their local community. The Council collects a precept each year, (a sum collected with the annual council tax from the householders in the township) specifically intended to maintain and improve facilities and services for local people. The Halewood precept for 2021/2022 is £449,063, an increase of 2% per household or 2.1p per week for a Band A property.

Parish and Town Councils are the least bureaucratic and most cost-effective form of local government in existence. All sums collected are invested in the needs of the Parish itself. They are elected bodies, and as such, are responsible and responsive to their local electorate. Every meeting of Halewood Town Council, for example, includes a 'Public Forum'. This enables residents to raise questions, concerns or compliments to Councillors.

Mayor's Foreword

Cllr Bob Swann

Chair of the Town Council & Mayor of Halewood, 2020/21

My first thoughts in compiling my foreword to this year's annual report, was how to express the deep sadness felt by so many people in our Township to those of you who lost loved ones far too early because of this horrible pandemic, Covid

19. Our hearts go out to everyone who has lost someone, either as a direct result of this virus, or indirectly, because fighting coronavirus affected so many other lifesaving services. I offer heartfelt condolences from myself, fellow Councillors and Council Staff to all bereaved families and wish them well for the future.

A wealth of volunteers from community groups and individuals came forward in the Township's hour of need, sometimes putting their own lives at risk to safeguard the most vulnerable people and doing what they could to save other people's lives. We owe them a great debt of thanks and the Council looks forward to playing its part in recognising this valour in the coming months.

I was particularly proud that the Council played an active part in supporting people through this pandemic, from signposting people to obtain the support they needed through to operational and financial support in providing necessities to people who could not leave their households. Council Staff working alongside volunteers and fellow Councillors deserve special credit for the work they have done and are still doing to keep the community safe. I thank them all.

I was particularly sorry that the pandemic also curtailed the amount of activities and engagements that a Mayor traditionally performs in a Municipal Year. I have however, along with fellow councillors been able to progress the initial setup of the Neighbourhood Plan, and the Neighbourhood Plan Steering

Group is looking forward to quickening the plan's development in the coming months, (the removal of lock-down restrictions allowing). This plan will help safeguard our public open spaces from adverse development and help improve transport infrastructure. The Council is also seeking to establish one or more of our public open space/s as a "Town Green" and will presently be asking the Borough Council to transfer the public-owned land that Town Council presently leases from Knowsley MBC. This would then go into the township's ownership via the Town Council and ensure that future development only takes place with the wishes and the aspirations of the Halewood people.

The Council has taken the opportunity that the lock-down presented to reassess our buildings for wear and tear and future sustainability. We have conducted a staffing review and made some changes to best improve the services that we currently provide, and we are presently reviewing our sports and leisure strategies with the aim of increasing the scope of services that we can offer to our community in future years.

As ever, the Council will only be too pleased to have your ideas and observations of the services that we provide and hope that you are able to help build a strong, healthy, clean and green township for all our children and grandchildren to enjoy.

2020/21 was a strange time to be Mayor given the context. But I am proud of the Town Council and wider township's responses to the pandemic. It is a year none of us will ever forget.

Town Manager's Report

Gerry Allen

Town Manager

I am pleased to be introducing Halewood Town Council's Annual Report for 2020/21 for the first time. There are simply too many developments and highlights to describe in one short

statement, but the main highlights are as follows:

Loss and Bereavement: 2020/21 was a difficult year for many people in Halewood and across the country. The extraordinary events of the pandemic led to illness and, in many cases, the death of loved ones. New rules also meant that funerals and commemorations were not possible in the same way. Among the Township's losses this past year was former Mayor and long-standing Councillor, Norman Hogg. Norman was just one of many losses and bereavements faced by the Halewood public in 2020/21 – we mourn for all those departed.

Working with Councillors: I have enjoyed working and collaborating with all elected members of Halewood Town Council. It is not widely known that Town Councillors are not paid for their roles, which they do as part of a civic duty to their fellow residents across the township. Their hard-work, commitment and selflessness is commendable and – I think – under-appreciated.

Remote Meetings: 2020/21 was the year in which we became familiar with 'Zoom' and the usefulness of remote meetings. I am grateful for the support of staff and Councillors in establishing remote meetings and appreciative of the patience of residents as we all got to grips with the 'new normal'.

Christmas Tree & Christmas Activities:

The Christmas period was a busy and eventful time in 2020. The council funded a Santa Dash competition in local schools, a Christmas Meal for pensioners and Festive Lighting. The Christmas Tree in the shopping area was re-established in 2019 through the endeavours of several Councillors, including the late Cllr Allan Harvey. We hope the 2020 tree brought even more light and joy to people in the difficult and extraordinary Covid-19 Christmas.

Community Grants: The council has issued 11 community grants in 2020/21 to a number of worthy local causes and organisations.

Staff and Covid-19: The impact of Covid-19 has been profound on the council's day-to-day business. It is an issue every person across the township will feel and understand. I thank my colleagues, the Halewood Town Council staff team, for their support and efforts in 2020/21. I look forward to a quieter but productive 2021/22.

Covid-19 vs The Spirit of Halewood

Over the past year, Halewood Town Council have been honoured to be able to support the township of Halewood, in working collaboratively with other amazing groups of people.

We worked with **The Knowsley Food Bank**, in supplying food parcels to those who have found themselves in need of a little extra help, during these extremely tough times. We also provided a suitable workspace and worked closely with **Halewood Voice, The Boyzee**, and some of our own **Town Councillors**, in order to package and deliver food hampers during the first lockdown.

A huge thanks to all involved. **Boxes and Packaging Ltd** provided hygienic, new cardboard boxes, needed for the Food Bank parcels and Christmas Hampers that were delivered by various Halewood Community Groups to people in need. An extremely generous donation. Our greatly missed **Over 50's Club** had some lovely afternoon tea's hand delivered to them for a variety of occasions, over this past year. We really hope to see them all very soon. We were excited when **Halewood Uni-Wise** approached us for support, so that they could establish a venue to store and distribute school uniforms through a recycling scheme. We were also fortunate enough to work with the **Halewood Brunch Box** at Christmas time, who cooked numerous 3 course Christmas dinners for us to deliver to many grateful recipients. At Christmas, we assisted a charity called **'Channel'** through contact with Colin Critchley. We provided a venue for donations of toys to be dropped off, to then send on to families who were struggling, due to the pandemic.

A huge thanks to other organisations who also offered a variety of support to the township of Halewood throughout the pandemic. Well done to **Torrington Drive Community Association** for cooking and delivering hot meals and treats to many of our Halewood residents throughout the pandemic. Love to our various **Halewood Churches** for the physical and spiritual aid you provided this past year. It was greatly appreciated. Also, to the many people and organisations like **Halewood Community Spirit** who provided entertainment for the children and young people with the Santa Crusade.

Also, a mention for organisers of the **Zoom Bingo** nights, which by all accounts were great fun.

The support offered across the township has been incredible. We wish to thank every resident, business and community group who took time to make life a little bit easier during the pandemic.

About Halewood Town Council

ELECTED REPRESENTATIVES (TOWN COUNCILLORS)

The Town Council has twelve Members (Town Councillors) who (ordinarily) serve for a period of four years. At the end of the municipal year, for which this report is produced, the Elected Members of Halewood Town Council were as follows:

North Ward – Cllrs Ken Dalton, Fiona Martin, David Samuels, Andrew Hesford and Clare Rose (1 vacancy at June 2020).

South Ward – Cllrs Bob Swann, Barbara Dunn, Suzanne Harvey, Yvonne Graves and Tony Lucock (1 vacancy at June 2020).

Members of Halewood Town Council receive no allowance at all and give their time freely and voluntarily to serve their community.

The Community Governance Review carried out by the Principal Authority during 2018/19, confirmed the number of Elected Members of the Town Council at twelve, with six Members each being elected to represent new Town Council wards, Halewood North and Halewood South wards.

Details of the current elected representatives are shown on the Town Council's website.

COUNCIL STRUCTURE & GOVERNANCE

The responsibility of the Council is to take policy decisions about how its services are carried out, what the priorities should be and how the Council's resources should be allocated.

Each year, at the Annual Meeting, the Council elects a Chairperson who becomes the Mayor of Halewood for the forthcoming year. For Town Councils, there must be a legal basis for everything it does. Governance arrangements for Town and Parish Councils in England goes back many years, the most recent significant piece of legislation arguably being the Local Government Act 1972. However, the overall package of legislation goes back well before that, even to the 19th century.

Standing Orders are intended to regulate and control how the Town Council conducts its business. Whilst there is no obligation to adopt Standing Orders, it is good practice to do so and for many years Halewood Town Council considers and adopts on an annual basis, Standing Orders and Financial Regulations.

The Council has a statutory duty, under the Localism Act 2011, to promote and maintain high standards of conduct by Elected Members and Co-opted Members Code of Conduct. This is adopted on an annual basis and sets out the standards which the Council therefore expects such Members to observe.

The current Standing Orders, Financial Regulations and Code of Conduct are available on the Town Council's website www.halewoodtowncouncil.gov.uk.

PUBLIC ACCESS TO AND PARTICIPATION AT TOWN COUNCIL MEETINGS (INCLUDING PUBLIC RECORDING)

Meetings of the Town Council are not public meetings, but members of the public have a statutory right to attend any meeting of the Town Council but only as an observer. Unless invited to do so by the Chairperson, members of the public have no right to speak at Town Council meetings. A 'Public Forum' is currently available at all meetings of Halewood Town Council when, preferably by prior arrangement with the Town Manager, members of the public in attendance at the meeting may, at the Chairperson's discretion, address the Town Council on matters appertaining to the Township.

There are occasions when meetings must go into 'private session' when dealing with matters of a confidential nature. On these occasions, members of the public (and press if any are present) must leave.

In line with national legislation, and in accordance with the Town Council's Policy, the filming and recording of public Town Council meetings is permitted.

Anybody wishing to film and record public meetings is asked to inform the Town Manager 24 hours in advance of their intention to record a meeting, this is to ensure that the necessary arrangements can be made.

Meetings normally start at 7.00 p.m. and confirmation of dates and the locations of the meetings will be available on the Town Council's website www.halewoodtowncouncil.com They are also posted on the Town Council's notice boards throughout the Township.

Like many organisations, the Covid-19 crisis of 2020 saw the emergence of remote meetings using the teleconferencing facility, 'Zoom'. Whilst this was successful to an extent, the council will still prefer meetings in-person, when circumstances allow.

PRINCIPAL COUNCIL

Knowsley Metropolitan Borough Council is the Principal Council and serves the Borough with most local services, such as schools, social services, waste collection and roads.

HOW IS THE TOWN COUNCIL FINANCED?

The net cost of the Town Council's activities is financed by levying what is known as a precept, which is added to the Council Tax levy set by Knowsley Metropolitan Borough Council.

In 2020-2021, the Town Council raised £441,266 via the precept. Up until 2017-2018, the Town Council also received a grant from Central Government called the Council Tax Reduction Scheme Grant (CTRSG). Each year, the Town Council's accounts are prepared by the Town Manager and are audited by the appointed Internal and External auditors.

Each year also, as required by law, electors of the Township can 'Exercise their Rights' to inspect the accounts of the Town Council within a given period, details of which are posted on the Town Council's website, and on the Town Council's notice boards throughout the Township.

The table below shows the aggregate levels of income and expenditure for 2020-2021, and at this stage, they are subject to final audit. Once audited, details of the accounts are available for residents' inspection.

EXPENDITURE & INCOME – 2020-2021

	Budget Allocation 2020/21	Outturn at 31/3/2021
Staff & Training Costs	£241,056	£269,012
Administrative	£36,760	£35,560
Community Provision & Events	£22,690	£13,190
Public Open Spaces	£36,325	£36,325
Hollies Hall	£50,075	£34,336
Arncliffe Centre	£54,955	£42,947
Totals	£441,266	£431,370

The Town Council's total income figure for 2020/21 was £30,586. Projected income at the beginning of the year was £67,500 but, due to the ravages of the pandemic, only limited activities were possible at council settings in-between lockdowns.

2020-2021 BUDGET AND PRECEPT

Members of Halewood Town Council are acutely aware of the financial pressures currently facing the residents of Halewood. The year 2020/21, with the unprecedented impact of Covid-19, has undoubtedly added to the pressures on household incomes.

Nevertheless, the Members of the Town Council are committed to improving its assets and its service to the community. Throughout 2020/21, the Town Council has kept the doors of its buildings open, in order to serve the needs of the community, and offered a variety of services and activities to support health and well-being. This has included the maintenance of Halewood's parks and green spaces, VE Day promotions, School Uniform Grants and Recycling, Community Grants (particularly in the lead-up to Christmas), also the facilitation of a Christmas Tree and Festive lighting at the Halewood Centre, in addition to other projects undertaken during the Christmas

period. The past year has also seen the Town Council work directly with the NHS, enabling them to utilise Hollies Hall for the administering of Flu Jabs and the roll-out Covid-19 Vaccination programme in Halewood.

The sustained nature of financial pressures and Members' commitment to protect and improve services, left the Town Council little option in 2021/22 but to increase the precept. This, however, is to be raised by the minimum possible at 2%. The Tax Base, the figure used to determine Precept income, has been reduced in Halewood from the figures received in April 2020. This meant that income would already be reduced, even if the council put forward a 'standstill' precept. The 2% increase will broadly cover this reduction in income. It will also help to offset other increased costs i.e. Utilities.

However, whilst this may sound a large increase, on a Band D property, it equates to an increase of £1.69 per year or 3.2p per week. Additionally, 80+% of Halewood households will pay much less, with Band A properties, (making up 38% of the total housing in Halewood) paying an increase of £1.13 per year. Residents should also be aware that Halewood's precept remains the lowest of the four large Town Councils in the borough of Knowsley, and a 2% increase maintains that position.

In total terms, these figures will enable Members and staff of the Town Council to continue to provide much needed services to the residents of the Township, with new and exciting plans to further improve provision and service standards to assist the township of Halewood in its recovery from the Covid-19 Pandemic.

What Do We Do?

Services currently provided by Halewood Town Council

- **The Arncliffe Sports and Community Centre** – The administrative centre of the Town Council, 'The Arncliffe' provides a community sporting facility including a Sports Hall, two synthetic pitches, and junior sized pitches used by Halewood Junior Football League. The Centre has a large function room complete with bar, extensive kitchen facilities, audio visual equipment, and is home to many community and special interest groups who use the facilities for meetings and activities. 'The Arncliffe' is also available for hire at competitive rates for a variety of business, family or fundraising events.
- **Hollies Hall** – In 2020/21 it has housed the Flu and Covid-19 Vaccination Programmes. The other setting for Halewood Town Council, it also has a large function room complete with bar and kitchen facilities. Audio visual equipment compliment the facility, which is also available, at competitive rates, for private, or business hire. Hollies Hall too, is home to many community and special interest groups who use the facilities for meetings and activities. Outside, Hilton Grace Recreation Ground, extensively used by Kingsthorpe Junior Football Club, is available for outdoor sporting and recreational activities.
- **Open Spaces** – The Town Council manage around 90 acres of open space. In addition to the open space associated with 'The Arncliffe' and Hollies Hall, the Town Council chiefly manages land on Wood Road, Halewood Doorstep Green (Dista Field), Frederick Lunt Playing Field, New Hutte Woods and Elwyn Gardens.
- **Playgrounds** – Within our Open Spaces, the Town Council is responsible for the up-keep and maintenance of the current young persons' playgrounds at Hollies Road, Arncliffe Sports and Community Centre, and on Wood Road. Sadly, anti-social behaviour and vandalism has left the Town Council with little alternative but to control access times to our playgrounds wherever possible.
- **Festive Lighting** – The Town Council funds the provision of a Christmas Tree and Christmas lighting in the Shopping Centre on Leathers lane.
- **Street Furniture** – mainly within its own land, although not exclusively, the Town Council owns and maintains some of the benches and seats within Halewood, plus newly designed and erected Town Council notice boards throughout the Township.
- **Civic Services** – The Mayor of Halewood is always pleased to support any Halewood-based resident, organisation or group as far as diary commitments allow. If you would like the Mayor to attend any event, please contact Sue Edwardson for The Mayor's Office on 0151 443 2063.
- **Halewood Community Grants Fund** – the Town Council maintains a fund, designed to support Halewood-based projects. Preference will be given to those schemes that stimulate new ideas and approaches which benefits the community.
- **Planning Applications** – the Town Council monitors all planning applications applicable to areas within the Township,

making representations to the Planning Authorities as necessary.

- **Events** – In normal years, the Town Council sponsors, and delivers and fully funds events that take place throughout the year. In recent years, this has included seasonal pantomimes at Christmas, Town Council Summer Fun Day, the Annual Christmas Concert and much more.

- **Council Offices and Support Services** – From its base in the Arncliffe Sports and Community Centre, the Town Council provides the full range of management, financial and administrative services to the Council, the Mayoralty and Civic events.

The Arncliffe Sports and Community Centre

Situated in Arncliffe Road, the Arncliffe Sports and Community Centre is a popular venue for a variety of social and community events. With car parking available, a fully stocked bar and function room complete with audio visual equipment, the Centre is an ideal venue which can be hired for business events / meetings or for family celebrations, including christenings, 18th and 21st birthday parties and many other birthday celebrations, children's parties, anniversaries and funeral receptions.

As well as being the administrative base for the Town Council, it is also the base from which many groups deliver their activities and is the home of Halewood Town Sports Association and the Halewood Junior Football League (HJFL).

Sports Facilities at the Arncliffe Sports and Community Centre

In 2007, a grant of £600,000 from Barclays Bank and the Football Foundation, together with £150,000 each from Knowsley Metropolitan Borough Council, and Halewood Town Council, realised a major improvement to the sporting facilities at the Arncliffe Sports and Community Centre. Thanks to this funding, the Centre has a large Sports Hall, floodlight synthetic surfaces, a multi use games area and changing facilities.

In 2017, the Town Council funded the complete replacement of the synthetic (sand-based) surface with modern 3G. This floodlit facility is available for hire at very competitive rates.

Hollies Hall

Like the Arncliffe Sports and Community Centre, Hollies Hall is a 'fully accessible' popular venue, complete with car parking, which can be hired for business, social and community functions. It is also used regularly throughout the week and at weekends by a variety of groups.

Situated on Hollies Road, in the heart of the Village of Halewood, Hollies Hall was extensively refurbished and refurnished a few years ago and redecorated in early 2019 and now boasts to be one of the premier function rooms in Halewood. It has a dedicated stage area, with a fully stocked bar and in comfortable surroundings, Hollies Hall is an ideal venue for concerts and shows and regularly hosts events as part of the Halewood Culturefest. It is an ideal venue in which to hold family celebrations of many kinds, including christenings, 18th / 21st and many other

birthday celebrations, children's parties, anniversaries and funeral receptions.

Football Pitches at Hollies Hall

Hilton Grace Recreation Ground to give it its proper title, is immediately behind Hollies Hall. This large open area is used extensively by Kingsthorpe Junior Football Club but is available for a variety of sporting education and recreational activities; usage of the indoor changing facilities and showers is available by arrangement.

Teams should call **0151 428 1929** for details.

Community Grants Fund

For over a dozen years now, your Town Council has established a fund to help Halewood based residents and projects, which benefit the health and well-being of our Town, the promotion/representation of the community of Halewood, the Environment, Community and Business Sector or the Halewood economy.

Applications are welcome from organisations, groups or individuals, with a preference given to applicants who can display a good track record of past achievement, or to new organisations, groups or individuals who can demonstrate future potential.

In 2020/21, the council also created a one-off project called, 'The Allan Harvey Christmas Fund' in honour of the former Councillor. Five grants were awarded to groups in this category.

During 2020 – 2021 the following were recipients of one or other of the awards:

- Knowsley Older Peoples Fun Olympics
- Halewood Youth in Community Centre (The Boyzee)
- St John Vianney SVP
- Halewood Apollo
- Paul Burke
- Halewood Town JFL
- Halewood Community Spirit
- Newby House
- Torrington Drive Community Association
- Apollo Sports CIC
- Halewood Uni-Wise
